Dear General Service Conference Members –

The A.A. General Service Office has opened a short survey to gather information about the need for a Spanish-language *Plain Language Big Book* (or other plain language tools) among Spanish-speaking A.A. members in the U.S and Canada.

The survey will close December 31, 2026. Please share this link or QR code with Spanish-speaking members in your Area.

An email with the link will go out to DCMs in Spanish-identified districts as well as GSRs. Also: we plan to gather feedback separately from trusted servants on Corrections Committees who interact with Spanish-speaking members behind the walls.

Please note, at this time we are focused on Spanish only, in order to fulfill the 2025 Advisory Action:

2025

It was recommended that:

- Begin a study to explore the needs of Spanish-speaking members for tools to access the Big Book . This study will include identifying specific needs within the Spanish speaking community to determine whether a plain language translation of the Big Book is an appropriate tool or if other accessible materials would be more effective to support Spanish-speaking members who face barriers related to literacy or comprehension . (Floor Action)

We hope the information we collect will help the trustees' Literature Committee better understand the needs and viewpoints of Spanish-speaking members, and help us fulfill this Advisory Action.

Thank you for helping us share this survey with members in your Areas.

Best.
