TRUSTEES LITERATURE				
38	8/9/26	We should remove the term "fallen women" from the 3rd tradition. It's insulting and uses old ideas about women and drinking. It refers to old ideas that women who drink are worse than men who drink. It's misogynistic and insulting.	Trustees' Literature Committee	Under Consideration
85	9/13/26	"Request: That the General Service Conference consider revising Step Eleven in the Twelve Steps and Twelve Traditions by removing: 1. The phrase "and sympathize" (Those of us who felt this way can certainly understand and sympathize. P 96). 2. And the phrase "less fortunate" (But what about the rest of us, who less fortunate don't even know how to begin? P 99)."	Trustees' Literature Committee	Under Consideration
220	9/30/26	"We, District 61 in Area 78, move that all PAIs and requests submitted in other forms since 2021, that reference the 2021 revisions made to pages 66 and 117 in the book, Twelve Steps and Twelve Traditions, be reinstated and brought forth as a 2027 General Service Conference Agenda Item to rescind this 2021 Advisory Action, and that these approximately 80 requests be included in the 2027 General Service Conference Committees' Background Information."	Trustees' Literature Committee	Under Consideration

4	3/27/26	"We submit the idea of creating "original versions" of the books "Alcoholics Anonymous" and "Twelve Steps and Twelve Traditions," and allow no changes to these going forward. This would then allow for consideration of creation of new "revised" versions of both books which could reflect changes in language, social customs, medicine, culture and society as reflected in the conscience of AA, if desired in the future. Please see section 7 for a more detailed explanation."	Trustees' Literature Committee	Under Consideration
21	7/15/26	Move that the word "hundreds" that appears on page 51 in the sixth line from the bottom be changed to "thousands" to correct an oversight when this paragraph was changed in the 2nd Edition.	Trustees' Literature Committee	Under Consideration
26	7/27/26	"Then in the 5th edition of the Big Book, the following is placed at the front: To the reader, our book was written in 1939. We at Alcoholics Anonymous have elected not to change the wording due to its importance as felt by Alcoholics Anonymous as a whole. Therefore, please read for the meaning in this book, not look at the words that are used that might be offensive. We are after recovery after all."	Trustees' Literature Committee	Under Consideration
36	8/6/26	Review the first 164 pages of the book Alcoholics Anonymous to identify and consider replacing unnecessarily gender-specific or misogynistic language with language that is inclusive while preserving the original meaning and spiritual message of the text.	Trustees' Literature Committee	Under Consideration
52	8/20/26	Establishment of a Standard Conference Policy and Back-Matter "Historical Context Addendum" Across Founders' Core Texts (e.g., Alcoholics Anonymous and Twelve Steps and Twelve Traditions)	Trustees' Literature Committee	Under Consideration
69	9/3/26	Changing some of the stories, no need for trans, maybe cut back on the gay stories. And stop trying to put 2025 meaning to words wrote in 1939. Leave Eskimo in the Big Book.	Trustees' Literature Committee	Under Consideration
73	9/7/26	We (District 15, Area 53) motion that an Advisory Action be passed to insert the story "Our Southern Friend" into the first available printing of the Fifth Edition of the book Alcoholics Anonymous.	Trustees' Literature Committee	Under Consideration
94	9/15/26	Add a footnote to the statement "We are average Americans" on page 17 of the Big Book, providing historical and contemporary context regarding the origins of Alcoholics Anonymous and its subsequent development into a worldwide	Trustees' Literature Committee	Under Consideration

200	9/30/26	This Motion revisits a previously voted on Agenda Item (as PAI #28) from the 2024 GSC. Trustees' Literature Committee	Under Consideration
106	9/18/26	Annotating the Alcoholics Anonymous Big Book will not change the wording. It will amplify comprehension of it by referencing the historical and social context of the time it was written. The more understanding and identification, the better chance alcoholics have of getting and staying sober and passing on the message.	Trustees' Literature Committee	Under Consideration
28	7/30/26	The item that needs further discussion is the recently passed decision to remove the word Eskimo from the AA literature. The Oldies but Goodies Group based in Brooksville Florida proposes that this decision be reversed and that the word Eskimo remain as it presently is in the Big Book	Trustees' Literature Committee	Under Consideration

159	9/27/26	Consider rescinding the 2026 Conference action removing the word "Eskimo" from Chapter 7, "Working With Others," and restoring the word in the first 164 pages of Alcoholics Anonymous until the Fellowship has been given an opportunity to consider the proposed change through an informed group conscience. The only changes exempt from this process are corrections of objectively verifiable typographical, spelling, punctuation, printing, formatting, pagination, or broken-link errors, provided the correction does not add, delete, substitute, or replace a correctly spelled word or phrase or alter the text's meaning, tone, message, or spiritual principles. A change intended to update or replace language described as outdated, obsolete, offensive, non-inclusive, culturally inappropriate, or similar is a change to the text and is not exempt from this process.
